# ELECTROSTATIC SPRAYERS

## VICTORY INNOVATIONS® PROFESSIONAL CORDLESS ELECTROSTATIC HANDHELD SPRAYER

The Victory Innovations® Professional Cordless Electrostatic Sprayer allows the user hours of spraying time without the hassle of dragging a cord. Victory's patent-pending technology provides an electrical charge to solutions, allowing them to wrap conductive surfaces with an effective and even coverage. Double-charged particles envelope all conductive surfaces - shadowed, vertical and underneath.

- Patented electrostatic charge penetrates chemical providing a thin even spray pattern on all surfaces
- Weighs only 5.9 lbs. with a full tank
- Cordless convenience allows for effortless movement room to room
- 3-in-1 nozzle lets you set the spray particle size to match your application
- Easy Fill HDPE 33.8oz refillable tank allows you to coat up to 2800 sq. ft. on 40-micron setting
- Victory 16.8V Lithium-Ion battery allows you to run between 20-80 tanks on a single charge

## VICTORY INNOVATIONS® PROFESSIONAL CORDLESS ELECTROSTATIC HANDHELD SPRAYER

Victory's Professional Cordless Electrostatic Backpack Sprayer is designed to allow the professional to cover up to 23,000 square feet on a single tank of fluid (coverage per tank is determined by internal testing using flow rate and particle size). Victory Sprayers' patent-pending technology provides an electrical charge to solutions, allowing them to wrap conductive surfaces with an effective and even coverage. Double-charged particles envelope all conductive surfaces - shadowed, vertical and underneath.

- Patent-pending electrostatic charge penetrates chemical providing a thin, even spray pattern on all surfaces
- Removable Easy Fill HDPE tank holds 2.25 gallons of chemical, allowing you to coat up to 23,000 sq. ft.
- Cordless convenience allows for effortless movement
- The 3-in-1 nozzle allows you to set particle size to match your application
- 4ft hose with quick release valve allows for comfortable reach and maximum maneuverability

# FABRIC PRODUCTS

**FORMULATED WITH ZETRISIL®  
TO OFFER UP TO 28 DAYS OF PERSISTENT PROTECTION PER APPLICATION**

Sanitize, deodorize and soften fabrics with the addition of our three way killing mechanism to eliminate bacteria, germs and viruses. Provides extended persistent protection on all fabrics against the transfer of common germs, fungus, odors, viruses, and helps prevents re-infection.

## MY-SHIELD® LAUNDRY COMPLETE

Used as an additive, this powerful laundry aid kills germs, bacteria and viruses on any machine washable fabric and embeds the fabric with Zetril® adding an extra layer of persistent protection against anything that it comes in contact with. Available in 1 gallon jugs.

## ENVIRO-CIDE™ FABRIC GUARD

Treats uniforms, blankets, pillow cases and head rest covers Available in 1 gallon jugs.

## BOEING CERTIFIED DISINFECTING PRODUCTS

Boeing D6-7127 Rev P incorporating PDD 6-8 (21 June 12)  
Cleaning Interiors of Commercial Transport Aircraft (category Disinfectants)

**FORMULATED WITH ZETRISIL® TO OFFER UP TO 28  
DAYS OF EXTENDED PROTECTION PER APPLICATION  
CAPABLE OF KILLING UP TO 99.999% OF  
GERMS, BACTERIA & VIRUSES  
ALCOHOL, BLEACH & CHLORINE FREE**

All disinfecting products adopt a three way killing mechanism to eliminate bacteria, germs and viruses, not relying on a poison kill as our competitors do, thus ensuring bacteria will not build any future resistance. This persistent activity provides extended protection against the transfer of common germs, odors, Corona virus, air born contaminants and prevents re-infection.

## MY-SHIELD® BROAD SPECTRUM DISINFECTANT

This quick and easy to apply, ready-mixed formula can be sprayed on all surfaces of an aircraft or in the terminal, including the cockpit, galleys, carpeting, hard flooring, bathrooms, tray tables, seating and carts. Using My-shield® Broad Spectrum Disinfectant with our electrostatic sprayers you will be able to create a completely sanitized cabin to alleviate the concerns of health conscious flight attendants and passengers while reducing the risk of them contracting air-born viruses and negating unpleasant odors. Proven to kill "Corona Virus".

Available in 1 gallon jugs, and 32oz and 16oz spray bottles.

# DISINFECTION AND HYGIENE PRODUCTS

**FORMULATED WITH ZETRISIL® TO OFFER UP TO 28 DAYS OF EXTENDED PROTECTION PER APPLICATION**

**CAPABLE OF KILLING UP TO 99.99% OF BACTERIA, FUNGUS & VIRUSES**

**ALCOHOL, BLEACH & CHLORINE FREE**

All hygiene products adopt a three way killing mechanism to eliminate bacteria, germs and viruses, not relying on a poison kill as our competitors do, thus ensuring bacteria will not build any future resistance. This persistent activity provides extended protection against the transfer of common germs, fungus, odors, viruses, air born contaminants and prevents re-infection.

## MY-SHIELD® HAND SANITIZER GEL PACKS FOR KIDS

Helps keep in-flight germs at bay and teaches children the value of good hygiene.

## MY-SHIELD® HAND SANITIZER WIPES TRAVEL PACK

A 20ct pack of 5.5in x 7in, 40gsm sanitizing wipes loaded with germ fighting power.

## MY-SHIELD® HAND SANITIZER TRAVEL SPRAY

A handy 10ml sanitizing spray that fits easily in any pocket for everyday and in-flight use.

## MY-SHIELD® HAND SANITIZER SACHETS

Individually wrapped 6"x8" sachets that will provide your passengers and staff with a hygienic product that will be appreciated, guaranteeing you great exposure.

# PPE PRODUCTS

**FORMULATED WITH ZETRISIL®  
TO OFFER UP TO 28 DAYS OF PERSISTENT PROTECTION**

The material used to create these products is treated with our proprietary silicone quaternary solution to provide a persistent germ killing layer that eliminates bacteria, germs and viruses offering an additional method of germ control.

## ZETRISIL® TREATED FACE MASKS

Available in several types, from cone masks to earloop style. These masks are an economical way to prevent the spread of airborne germs and viruses while offering additional, persistent protection other masks simply do not offer.

## ZETRISIL® TREATED DISPOSABLE HEAD REST COVERS

Add an additional layer of extended protection for your passengers and personnel with these disposable germ fighting head rest covers. Another economical way to prevent the spread of germs, bacteria and viruses.
